mysterious face on our \$10 bill to a household name, the impact this “bastard orphan” had on our modern lives has become increasingly apparent. Case in point: many of the words and phrases used on a daily basis in America are thought to have originated from everyone’s favorite “ten dollar founding father.”

After Alexander's death the next year, Eliza was left impoverished, and her youngest child was only two-years old. But she was ultimately able to save The Grange (open to the public today as a New York State museum, 414 W. 141st Street) from a public auction and remained the steward of the Hamilton family home. Although Eliza's story
