**Another Forgotten Child**  
Another Forgotten Child is a heartbreaking, but also a heartwarming story about eight year old Aimee. Aimee has endured eight long and suffering years with her drug dependent mother in a flat. Not only did Aimee live with filth all around her, but she'd also been experiencing mental and physical abuse.

Reviews for Another Forgotten Child. "...a heartbreaking story, but does show that childhood experiences of despair and neglect can be turned around....One of the most poignant moments in the book is the conversation Cathy has with Aimee's mother, Susan, where it is clear that she isn't a 'bad' person, but is herself the victim of her past."

**ANOTHER FORGOTTEN CHILD - Cathy Glass**  
A new memoir from Sunday Times and New York Times bestselling author Cathy Glass. Eight-year-old Aimee was on the child protection register at birth. Her five older siblings were taken into care many years ago. So no one can understand why she was left at home to suffer for so long.

In 'Another Forgotten Child' we meet 8 year old Aimee - bought into Cathy's care due to awful neglect from her drug addicted mother. Aimee's behaviour was challenging and her story upsetting but I always enjoy following the journey from misery to sheer joy.

ANOTHER FORGOTTEN CHILD Aimee is at college studying childcare and is adamant she wants to be a foster carer when she's older and help children like her. If she does I am sure she will be great. She is young adult now but still lives with Jason, Jenny, Emily, and Simon (the baby Jenny was expecting at the end of the book).

**ANOTHER FORGOTTEN CHILD - Cathy Glass**  
Another Forgotten Child is an obvious pick for anyone with an interest in child welfare or the social services. Bottom Line: I highly recommend this poignant and sobering book to others and feel that it should be required reading for foster parents or anyone with an interest in fostering or the child welfare system.

**Another Forgotten Child - HarperCollins**  
A child is placed on the child protection (CP) register, also known as the 'at risk' register, when there are serious concerns for his or her safety. Such a measure is supposed to be a short-term one to allow help to be put into the family, resulting in either the child being removed from the register when the concerns have gone or, if no improvements are made, the child being brought into ...
