3: Challenge Properties [Skeptic's Guide to games and analysis] October 19, 2020 October 19, 2020 ~ stayskeptic When analysing a game, you'll often need to ask yourself just what makes a situation challenging to overcome in the first place, and what makes it different from other challenges.

3: Challenge Properties [Skeptic's Guide to games and ...

Chopra's challenge is a transparent farce. I suggest that if he wishes to truly engage with skeptics in the future, even if just to challenge them, he first learn something about our actual process and positions. Otherwise he is condemned to attack his imaginary straw men and open himself up to further justified ridicule.

Skepticism (American and Canadian English) or scepticism (British, Irish, and Australian English) is generally a questioning attitude or doubt towards one or more putative instances of knowledge which are asserted to be mere belief or dogma. Formally, skepticism is a topic of interest in philosophy, particularly epistemology. More informally, skepticism as an expression of questioning or doubt ...

Unreal! Remarkable. Brilliant. To think this older woman in the 1970s, not formally educated in theology, religious studies, or even a basic critical thinking class (I believe) could simply read the Christian Bible from cover to cover, and find it so remarkably absurd and vile - especially after all of the good things she had heard about it throughout her life - that she took the time to ...
