Hi, I would like to study CIPS Level 4. I have made up my mind to do self-study. while searching the books to purchase, I found two different book sources. One is CIPS official website book (called study guide. Worried what if they just give only guides) and the other one is PROFEX publishing brand one.

Procurement is the process of finding and agreeing to terms, and acquiring goods, services, or works from an external source, often via a tendering or competitive bidding process.. Procurement generally involves making buying decisions under conditions of scarcity. If sound data is available, it is good practice to make use of economic analysis methods such as cost-benefit analysis or cost
