### Intuition Its Powers And Perils

The Powers and Perils of Intuition Instinct has the power to hush reason. But when is it safe to go with your gut? Researchers may remain uncertain about the reliability of intuition, but it is a ...

### The Powers and Perils of Intuition | Psychology Today

Intuition: Its Powers and Perils is an extremely accessible read. Much like Malcolm Gladwell did with the book Blink, psychology professor David G. Myers presents a fascinating, introductory exploration of the human mind and its non-conscious, unreflective ability to pass instantaneous judgment (and, often, misjudgment) on the world. As the title of his work suggests, Myers showcases both the ...

## **Intuition PDF Summary - David G. Myers | 12min Blog**

Intuition: Its powers and perils is a new book that is an easy, entertaining, and informative read on both the positive and negative aspects of intuition. The author reviews but rejects evidence for a psychic component of intuition; nevertheless he has many stories and accounts of research experiments that will be of interest to our readers.

## **Intuition: Its Powers and Perils**

To reiterate these perils: we invent false explanations to justify our actions; we incorrectly judge our reasoning powers; we take intuition for granted as being accurate; we dwell on events that meet our expectations; unrelated and often miniscule events seem to grab our attention away from the more important

issues; and we overestimate the probabilities of chance.
