fast and numerous books collections from fictions to scientific research in any way. in the midst of them is this quick brainstorming activities for busy managers 50 exercises to spark your teams creativity and get results fast that can be your partner.

Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.
