Providing Solutions that Help Simplify a Complex World

Creating a monthly plan for your spending is one of the smartest things you can do for your finances, yet it's the most overlooked solution to most people's financial problems. Having a spending plan or a budget (the technical name for a monthly spending plan) makes life so much easier because you've given yourself a guide to decide how you want to spend your money.

9 Practical Steps to Solve Your Financial Problems Without ...

Traditional financial institutions require identification and documentation that many of the global poor lack. Infrastructure is also needed for people to access a traditional bank, something that might be nonexistent or sparse in some parts of the world. The lack of identification also makes it impossible for the world's unbanked to build a line of credit that can open up large-scale loan ...
